## Complaint

I am a Federal inmate at the Guilford County Jail and am willing to give the testimony my testimony to a SBI Agent at the Jail. My family can fax your agents their affidavits for their evidence for my complaint. You can call my mother at (276) 224-6417 and my grandparents at (276) 632-2599. Me and my mother are witnesses to the detectives admitting to going through my computer files themselves, doing whatever they wanted with them before sending off to the state crime laboratory. Therefore is evidence contamination and possible tampering. Now with possible lying in a search warrant affidavit by the detectives, I submit evidence of testimony that I received an email from Mary Dagan Foxman with information that my IP Address 24.148.156.211 was manually entered into the Child Protection System server database at Boca Raton, FL. The exact opposite of detective Robert Bridges claim in the affidavit that my IP Address was automatically flagged.
